

Want your
LIFE
to have an
impact?

LIFE Teams

Imagine going to a country where a disaster has struck and aid is critical. Picture visiting a shelter where destitute women and impoverished children are in need. Visualize a community in desperate need of clean water. With an endless list of opportunities, you could be used to tangibly touch those that are suffering.

You could have a lasting impact, both physically and spiritually, in a village or community. Your life could help demonstrate the love of God, in word and deed, to these hurting and needy people, and in the process, you will never be the same.

Do you have a specific passion or skill? Most likely there is a component of your "LIFE" (whether Labour, Influence, Finance or Expertise) that you could contribute to help improve someone's life that is needy or hurting.

Global Aid Network (GAIN) engages with your God-given desires and abilities to provide an opportunity for you to go on a faith adventure.

Your gifts, along with others, are combined into a LIFE Team, focusing on either

- medical & dental clinics
- community health education
- construction
- working with orphans
- trauma training
- leader training
- and much more

Come with us and meet like-minded people, use your skills, and be challenged to live differently!

"I can't stress enough how important it is for each of us to experience something that is much bigger than ourselves. When we do that...we are changed forever!"

Bill Blaney - CEO & Director, GAIN Canada

"If you're looking for an opportunity to use your passion internationally or for a chance to figure out what your passion is, then this is an ideal way to do it."

Lindsey Schacter – LIFE Teams Manager

Deadlines for applications are 6 weeks prior to the trip's departure date.

For more trip information or to apply, email us at
lifeteams@globalaid.net.

"Just come! We are so clueless of what the world is all about. When you go you have an awakening...you realize that we are so blessed. So come help people that are less fortunate. Get out of your little sandbox and reach out to the poor, the lonely, the sick, the widows and the orphans."

Andy Perkonig - Paramedic on the LIFE Team trip to Haiti in February 2010 & November 2010

"Don't be afraid of the 'what-ifs'! 'What-if' there is hurricane while I am there? 'What-if' there is cholera? Just do it! You just can't imagine how your life will be different!"

Roxanne Gardner - Nurse on the LIFE Team trip to Haiti in November 2010
